

The Australian Gold Cup Results for 2006

Once again the Gold Cup has been a huge success, with **Lofts from 3 Different States competing**; this is National Racing as close as we get in Australia!

This is pigeon racing at its best, opening clocking and multiple section prizes, competing on a broad front larger than Europe!

To get rings for next year's race call Barry Trewin, don't be late or you will miss out, as we only sell 2,000 rings!

The Outstanding Loft Performances to mention are:

Bill Paterson in Hay NSW, he had the first bird in the clock 10.04am.

Warren March in Murray Bridge SA (near Adelaide) clocking at 11.15am.

Darren Davies & Mal Sartori in Portland – clocking at 11.15am - only 7 minutes separated the top 20 positions.

David Neale in Mt Gambier SA – did well with only a few birds heading his way

The Mallee Classic Lofts Ballarat with a quick group of birds.
